Music Activities
Lesson 24
Creating a Song about Trash

Objective:

Students will create a song about trash.

Materials:

None

Activity:

Create your own song about trash. You can even take the poem such as "Sarah Cynthia Sylvia Stout" or your own and put it to music.

Use trash to make your own instrument. For example, tin cans can be hit to make symbols or coffee cans to make drums.

Closure:

Share the songs with the class.
